Dear resident/occupier,

[Notice of upcoming works]

Highway maintenance works are due to take place in your area.

We are writing to inform you about drainage improvement work scheduled in your area.

Project details

- **Location:** High Street, Little Wilbraham (between Church/Primrose Farm Roads junction and Fen/Mill Road junction)
- **Start date:** Monday 23rd November
- **Working times:** 08:00 – 16:30
- **Duration:** 4 weeks, weekdays only
- **Traffic management:** Road closure, phased give/take
- **Closure times:** 08:00 – 16:30

How does this affect you?

- We will work in phases starting east of the village, working toward Fen/Mill Roads
- Access to properties and businesses will be maintained where safe; please allow extra time for your journeys.
- Bus's will be allowed to run, there may be delays whilst the site is made safe.
- As Fen/Mill Roads are no through roads, no official diversion route has been posted.
- Please avoid parking on the carriageway or footway during the works, particularly over manholes or drainage gullies.
- Some noise is expected, but we will aim to minimise disruption.
- Traffic management operatives will be on site to assist as required.

We will do our best to keep to the planned schedule; however, these works are complex and subject to a range of factors beyond our control, such as weather and site conditions. As a result, all programme dates, including the anticipated end date, are indicative and may change. If any significant changes occur, we will keep you informed. For latest updates please see our website and X @Cambs_Traffic via the QR codes below.

For any concerns or questions, please contact us using the details provided.
We appreciate your patience and understanding.

Yours sincerely,

Matthew Larter
